The oldest maps The oldest map never discovered was found in a cave in Lascaux, France, in the year 2000. If you participate in 7 events or purchase a seasonal pass, you will receive a bonus of 15 points. More about symbols While the person who creates the map can determine what symbols use, there are some symbols that are universal. Motorcycle numbers This year we will have a laminated motorcycle number that will have its timing label on it. The themed maps can use color patches, points, an Islat or Coroplette. Each participant who starts an event will automatically receive a point. Please remember that the courses are attempt and can be adjusted in the morning of the race. People can access these maps on computers, telephones, tablets and even automobile GPS systems.
